All currency herein is quoted in U.S. dollars unless otherwise indicated. Canadian and Mexican Independent UnFranchise Owners should convert references of currency to Canadian dollars or Mexican pesos based on the consultant's location. Canadian and Mexican Independent UnFranchise Owner's commissions are converted weekly from U.S. dollars to their country currency. For Canada, the conversion rate is the exchange rate published by OANDA immediately preceding the commission process for each week (typically the Tuesday of the week that commission check is paid). For Mexico, the conversion rate is 15 Mexican pesos for every 1 U.S. dollar.

SECTION 2: YOUR WHY AND GOAL STATEMENT

To be effective, your goals must be specific, measurable and written. Take a few minutes and write down what you would like to accomplish. For additional information on developing a goal statement, refer to the applicable section in the *UnFranchise Manual*, online training and/or audios. You may want to seek some advice from your sponsor and/or senior business partners in this area to ensure your goals are properly established.

A. My Why: The Primary Reasons Why You Are Building An UnFranchise Business

Create “My Why” (Two-Minute Commercial). A “Two-Minute Commercial” is a testimonial explaining the real reason why you are building the business, accompanied by an appealing description of the business. All Independent UnFranchise Owners should have a sense of purpose. It’s that motivation that is going to sustain and maintain you through the highs and lows of the business.

B. Personal Goals

1. Decide what you want. Determine the things or lifestyle you desire to have.

2. When do you want it? Set target dates for the achievement of each goal.

3. Determine what you are willing to give the business in the way of time, effort and sacrifice to obtain your goal.

SECTION 2: YOUR WHY AND GOAL STATEMENT

(continued)

4. Develop a detailed plan of action. Determine what you must do each year, each month, each week and each day to achieve your goal. This business is built most effectively one day at a time, working consistently. Simply satisfy the daily tasks and activities (see below) in the detailed plan of action to ensure the achievement of the weekly, monthly and annual goals.

5. Write it out. (Steps 1-4) in a 50- to 100- word statement and read it twice daily. Fine-tune it each week or month until it is in line with reality. The repeated reality checks will keep you focused and on your way to achieving your goals.

DAILY TASKS AND ACTIVITIES

- Add/cultivate two possibilities daily
- Call one to three prospects from your Possibilities List daily to schedule at least two appointments per week, to evaluate the business and see if they know the right people
- Promote business and/or products through word of mouth and social media
- Present the UnFranchise® Business (show the plan) twice per week using the evaluation approach
- Follow up with a prospect and/or customer
- Invite two people to earn Cashback or visit SHOP.COM.
- Listen to an audio or watch a video

SECTION 3: FOLLOW-UP APPOINTMENT

(continued)

- Develop 10 Preferred Customers ordering the company's exclusive products.
- Host a Product Preview/SHOP.COM overview with your team within the first month of starting your business
- Take the Nutri-Physical® Nutritional Analysis located on your SHOP.COM site
- Introduce your customers to your site:
SHOP.COM/_____
- Ensure all customers register as Preferred Customers

4. Prospecting, Qualifying and Sponsoring: Basic methods for expanding your organization

Possibilities List: It has been proven that the average person knows approximately 300 people. Create a possibilities list of at least 100 people to whom to expose the business using the evaluation, referral or direct approach. Create the habit of contacting at least one to two people per day, to present the business to a minimum of two qualified prospects per week. By creating this habit, it will result in presenting the business to 104 qualified prospects per year (2 x 52) in an effort to personally partner (sponsor) a minimum of eight UnFranchise® Owners per year. Develop a Top 10 List. The Top 10 List is the group of individuals that you will initially expose the products, business and/or SHOP.COM to.

Video approach: There are several basic tools provided by Market America for Independent UnFranchise® Owners to use, such as the "UnFranchise Business Plan" videos (available online). These tools allow you to prospect the greatest number of people efficiently and effectively. More importantly, these tools for prospecting people can be used by anyone regardless of their knowledge level about this business. With the video approach, you must only learn two things: how to set the appointment and how to follow up.

a. Follow-Up: Send the About Market America | SHOP.COM PDF or other online business support tools, the day after scheduling the appointment. Set a time to call your prospect immediately after they have watched the video.

Response: Moderate to high level of interest from videos — schedule a two-on-one appointment, UnFranchise Business Presentation (UBP) or schedule additional online video presentation (prospect at a distance).

Response: Minimal interest from videos — try to set a two-on-one appointment or conference call to get referrals, introduce Market America products and the SHOP.COM site (in this order).

Evaluation approach example: "John, I just started a business that I am working part time with some associates. We are really excited about its potential and are looking to expand in the (John's geographic

location) area. John, your name came to mind as someone who might have an interest in what we are doing or might know the right people for our expansion. Either way, you could help us by evaluating the business. I would like to provide you some information that gives a general overview. You may or may not be interested, but you may know someone who would be."

Response: Moderate to high level of interest — schedule a three-way call or appointment to show the business plan (two-on-one meeting, HBP* or UBP!).

Response: Little interest — use the video presentation to generate referrals and introduce Market America's exclusive products and the SHOP.COM site.

5. Follow-Up and The ABCs of Building Depth — Implementing a Duplicatable System

Personal responsibilities: People will do what you do. The ABC Pattern starts with you performing the following minimum daily, weekly and monthly activities. Conduct ABC/Trial Run meetings (one-on-one, two-on-one and Home Business Presentations).

Objective: Move one ABC level per week in a new person's location and bring the team and/or Senior Partner(s) with you to help/support. At each HBP or UBP the primary objective is to schedule follow-up appointments.

Organizational responsibilities: Measure, monitor, adjust and control the tasks and activities being performed by your personally sponsored Independent UnFranchise Owners and those Independent UnFranchise Owners you are personally working with and mentoring. Schedule a time to review their progress in implementing their action plan.

- Complete NUOT, B5 and ECCT
- Purchase a ticket(s) to the next scheduled Global Meeting, Training and Seminar System (GMTSS) event (Local Seminar, District Conference, Regional Convention, World Conference or International Convention)

- Have regularly scheduled calls or call workshops
- Share the business on a regular basis
